

Capability Statement

OPERATING REGIONS

South Australia & Western Australia

INDUSTRY EXPERIENCE

40+ Years Combined Experience

BUSINESS TYPE

Indigenous-Owned Civil & Mining Services

Overview

Miyah Mining Services is an Indigenous-owned mining and civil services business with a base in Whyalla, South Australia and strong connections to the Kimberley region of Western Australia.

Established with a clear regional focus, Miyah brings more than 40 years of combined industry experience across mining, civil construction and infrastructure projects throughout Western Australia and South Australia.

Our objective is to participate meaningfully in regional mining operations while strengthening Indigenous business representation and long-term regional capability.

Miyah combines experienced operational leadership with strong regional connections, delivering practical capability grounded in safety, accountability and respect for Country.

Vision

To build a capable, regionally embedded Indigenous enterprise that contributes to major mining and infrastructure projects across South Australia and Western Australia, while strengthening community participation and long-term regional opportunity.

Values

- Prioritise the safety and wellbeing of our team
- Deliver reliable, disciplined operational performance
- Foster transparent communication and collaborative decision-making
- Build respectful partnerships with clients and community

Our Approach

Miyah Mining Services combines technical mining expertise with cultural awareness and regional commitment.

We value:

- Practical leadership
- Responsible decision-making
- Environmental respect
- Strong stakeholder relationships

We are committed to managing mining and civil activities in a way that respects the land, supports sustainable outcomes and builds positive working relationships across all project stakeholders.

Industry Experience

Miyah Mining Services is backed by more than 40 years of mining and civil construction experience delivering projects across Australia.

Our experience spans:

- Government infrastructure
- Mining operations
- Industrial facilities
- Construction and refurbishment
- Site remediation
- Remote and regional operations across WA and SA

We bring established operational discipline and a strong safety culture to every project.

Safety & Workforce Development

Safety is central to how we operate.

We are committed to:

- Maintaining high safety standards
- Promoting physical and mental wellbeing
- Building structured career pathways
- Creating opportunities for First Nations participation in mining and civil industries

Our approach integrates cultural awareness with operational performance.

Community & Regional Commitment

Based in Whyalla with strong connections to the Kimberley region of Western Australia, Miyah Mining Services is focused on long-term participation in regional mining communities.

We recognise the importance of:

- Regional procurement
- Indigenous enterprise development
- Local employment
- Community engagement

Our business is built to contribute to the strength and resilience of regional Australia.

Acknowledgement of Country

Miyah Mining Services acknowledges the Traditional Custodians of the lands on which we operate and their continuing connection to land, waters and community.

We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples.
